“ *I have known Mr Chuck since I was a little girl! I admired him he was so handsome and we became friends by me stopping by the Tom Cat on my walk home from school everyday . I was to little to wear the clothes that he sold but I told him one day I would be big enough to shop there and one day I was! I went into the store and I said Mr Chuck am big enough now and I need you to fix me up and I was the happiest I had ever been because I could wear The Tom and Calico clothing . When your a young child you never forget who was kind to you and he was the kindest most respectful man! I had not seen Mr Chuck in many many years but I will never forget his kindness! Thank you for your impression you made on my life! I know your with Jesus and hope to see you again one day Mr Chuck.*
