“ Roger and Savannah I wish I could have come with JR. My heart breaks for you and all of us who loved Cheryl. I loved her and was proud to have her as a sister in law. She was one of the finest people I know. I had so much respect for her and will miss her. If there is anything I can do or if you need someone to talk to please call me anytime of the day or night. Even though I am miles away my heart and thoughts are with you. I wish I could take away the heartache but all I can do is let you know my heart is broken too. Savannah you are a wonderful young lady. You have made both your Moma and Daddy proud. They are blessed to have a daughter like you and I know they love you more than anything in this world. Call me if you need someone to talk to I am always here for you. May God bless you and your Daddy during this difficult time.
