“ Chris was a true great southern Lady. I met Jim at the Laurel Country Club and he became my best friend. We played golf about 3 times a week for about 25 years. Chris and Jim would have dinner about twice a month with me and my wife Debbie. Jim in his older days played with my wife and myself . He played with us until he was 89. I still have a picture of the two of us at the club getting ready to play a round.  
Jim has been missed and Chris will be missed.
