“ My fondest memory of Christopher happened on Mother's Day when he was around 3 or 4 years old. My son and I along with my sister Alice and her family did a surprise picnic and zoo tour at the Hattiesburg Zoo for our Mom. I didn't think that Christopher cared very much for me, but that day I found out differently. That child held my hand and pulled me all through the zoo. He would not go with anyone else. By the end of the day, I was exhausted and a very proud Aunt Ann.

You don't meet too many people with a heart as big as Chris'. So many good memories, from Shady Grove and throughout our friendship.. He was just one of those guys that loved life! Such a kind soul and respectful gentleman he was.. you'll be greatly missed brother.. best of luck on your journey beyond, it's only just begun. 🙏
