“ *Cindy took me in when I was 15 years old and mothered me. She and I have had a few arguments but alot of good times and laughs. She loved her kids and granbabies. She treated me like her own. She called me just 3 weeks ago and said she just wanted to hear my voice and expressed her love for me. She loved my kids dearly. She would help anyone if she could but wouldn't take no bull off of anyone. Mess with what was hers and you've met the wrong side. I'll forever love this lady !!*
