“ Dear Charles,
After your call, I reflected on all the memories I had of Libby during the last 40 years! I remember her "green enchildas", her gardening skills, her help in shopping for maternity clothes before Shawna was born(1975), her support and strength when Sam was born. I laughed when I remembered that every year she would send me a card or e-mail on February 23 saying, " Happy Birthday and once again you forgot mine, my dear friend" and I would always say, I remembered but just forgot to send the card! It got to be a joke between us after 40 years..I will miss that joke this February but will remember Libby on February 15th and know that she is remembering me!
Take care,
Cathy & Mike
