“ I am so saddened by the loss of my 1st cousin, June. Her mother and my dad were brother and sister. June had 2 more sister's and a brother, Peggy, Wanda and Gary. The 3 of us girls, Peggy, June and myself spent a lot of time together growing up and having fun. I spent more time at their house than I did at my own home. I will miss you big time 😭 But I have so many memories of all of us, RIP my sweet cousin and I will see you again!!!
