

Cooper David Pope

June 4, 1964 - September 12, 2024

Cooper David Pope, 60, was born June 4, 1964, in Hammond, Louisiana. He passed away on September 12, 2024, at his residence in Laurel, Mississippi.

Visitation will be from 5:00 p.m. until 7:00 p.m. on Monday, September 16, 2024, at First Baptist Church of Sharon, located at 4375 Sharon Road Laurel, MS 39443. A Celebration of Life Service will be at 10:00 a.m. on Tuesday, September 17, 2024. Burial will immediately follow at Sharon Cemetery. Services will be officiated by Pastor Matt Olson and Brother Jeremiah Keyes. Memory Chapel Funeral Home is in charge of arrangements.

Cooper influenced the lives of many through his numerous years in the Education system. He was the Supervising Principal of West Jones High School for the past seven years and Northeast Jones High School for over ten years. He received his Master's Degree in Education from Mississippi College. He was a member of FBC Sharon, where he faithfully served as a Deacon, Sunday School Teacher, and Small Group Leader.

Coop, as he was affectionally known by many, was a faithful husband to the love of his life, Francie. He treasured quiet nights sitting on the porch beside her. He was a devoted and loving father who always smiled when he talked about his kids, Kristen and Ryan. They were his pride and joy. The greatest passion of his life was sharing the Gospel of Jesus Christ every chance that

he could.

He was preceded in death by his father, Clifton David Pope.

He is survived by Francie, his wife of over thirty years; his daughter, Kristen; his son, Ryan (Nicole); his sister, Cassandra Short; his dad and mom, Albert and Faye Short.

Pallbearers will include FBC Sharon Deacons.

In lieu of flowers, donations may be made to FBC Sharon Building Fund.

“ Although I haven't seen Cooper in many years, I was shocked to hear of his death. My memories extend far beyond our West Jones' days. I remember the summer after his grandad, Poppa Short, passed away. I was so young, but I remember his funeral. I spent a week out there with him and his sister, Cassandra. I remember when his mother, Faye, was studying to be a teacher. She taught 30 years and has since retired. I remember Cooper and his sweet disposition. Just a real nice guy to be around. His parents are salt of the earth. So was Cooper.

I have read most of the tributes to him. What stands out was his faith. He was a beacon to those who needed God in their lives. He was a true witness for the Lord.

The comfort here is knowing we will see him again one day when we go to Heaven. Until that day, may we rest knowing Cooper left this place much better than the way he found it. May the memories we have of him remain in our hearts forever. God speed.

“ Truly a special person. Praying for his family and friends. I hadn't seen Cooper in many years. The memories I had of him were all of a sweet, caring young man. I was friends with his cousins the Kirk's growing up and we played and had good times at their house growing up. As an adult I remember telling my sister to go talk to him about the difficulties my niece Sydney Holifield was having at West. She had a heart transplant as a baby and no short term memory and had had cancer several times while at West. Her only thing she had ever asked for was to be able to graduate high school. She was having problems with one class teacher and I told her mom to talk to the new principal Cooper that he would give her a fair shot. He did. He handled the situation and she got to graduate. When I told them he passed that is what Sydney said 'He helped me. I liked him.' He was a good Christian man who helped so many and truly made a difference in the lives of those around him. What a legacy to leave behind. He was a part of my graduating class and you will only hear good memories of him from them too. Again prayers for you, his family and may God give you peace until you see him again. The world lost a good man and ambassador for the Lord.

“ I attended Mississippi College with Cooper when he was a football player and I was a volleyball player. He was beloved by his teammates and respected by everyone on campus who came into contact with him. Years later when I would see him at reunions at Coach John Williams' house, he was warm and kind. To his wife and children, his parents and family: I am so sorry for this terrible loss. Although his Earthly life is over, his legacy of love and leadership will live on in those he influenced.

Mr. Pope was one of the most caring individuals Jeremy and I have ever known. His life was dedicated to God, family and students. He was a true friend to Jeremy and countless others. He was an advocate if needed. He is most appreciated by us. Jeremy's love for Mr. Pope is everlasting. You will be missed greatly, until we meet again.

“ Mr. Pope truly blessed me and my mom. He prayed with her in his office many times and is the reason I am walking across the stage in May. He truly showed me what a man of God looks like and showed me what a true Christian should act like and how to do things as one. My heart goes out to his wife and children. Until we meet again

“ I don't know a more Godly man than Mr.Pope.. He always asked about each person and made them feel like family. He remembered every name of each person and always was for his school students. Even after we graduated.. He ALWAYS lifted high the name of Jesus and put God first. He always had prayer before every event no matter any criticizing. He backed up everything that had to do with Jesus in and outside of school. I love you Mr. Pope and thank you for being a true example of Jesus in your walk with Him. Thank you for all your help with school and even opportunity with reaching out about job wise. No greater Godly principal.

I had the pleasure of working with Cooper for about (5) years in Baton Rouge at Parkview Baptist School. Cooper was a caring, sincere, and genuine man, he always asked about you and cared about what was going on in your life. He had a great life perspective that came from his relationship with Jesus. We had a common love for sports, especially football, and a love for our family. I had hoped that our paths would cross again in the future to work together because I'm sure Cooper was a great person and leader. God bless & prayers for Cooper's family, he is at peace.
