“ So many memories and great ones at that! Spending a couple of weeks during summer, swimming in Indian Springs River (somewhere past Indian Springs Baptist Church) attending church, Bible School, movies and, yes, shelling peas and butter beans AND the best part was eating her wonderful cooking!!! Seems like there was always Potato Salad (my favorite) and in my mind it was always made for me. Homemade Vanilla Ice Cream made with the old hand cranked Ice Cream Maker out in her yard while all of us Cousins ran everywhere playing! I can still hear her call us when it was ready! I could go on for awhile! So much unconditional love in her and her family....my family! What a wonderful and beautiful Aunt that I was truly blessed to have! And, what an honor to share her middle name! I love you Aunt Cordia Ellen.
