“ Our small town of New Augusta has been so sad about losing Mr. Curtis. He was kind, respectful and always polite. Tried to be as helpful as possible every time you needed help at DG or had a question. I know we will all miss him.

“ Mr Davis has been a part of my life for many years! He was my band director at New Augusta and Perry Central High School! He was the best. He became a member of our town. He was always so nice to talk with and I will always remember him!
