“ Cindy was a very special person. When Chase and I attended First Baptist of Sharon, she was almost like my personal ambassador. She would seek me out to make sure I knew what was going on with the youth activities so Chase could be involved. And more often than not, she would be the first to meet me upon the return from a youth trip to let me know how he had done. And, yes, like so many others have already written, her smile is the first thing I remember when I think of her. She was such a positive, upbeat person.

Cindy took so little from life but gave so much!

“ Cindy was one of Gods special Angels sent to earth for a short
while to touch so many lives. I can not recall when I did not see a
smile on her face. She took what life handed to her with the grace of
a lady. Go rest now, your work here is done

Cindy was a friend and classmate. We graduated from west jones high school together. Cindy was what you call a angel here on earth. She never lost that smile. Saw here a few times over the past view years and still there was that smile. Cindy taught me something and that was whether you were having a bad day or good and that was to keep smiling. I don't think I ever saw her that she didn't have that smile on her face. Gona miss that beautiful smile. Love you Cindy and you will be missed. God only takes the best. 😊😇. KEEP SMILING CINDY.
