“ Uncle Lester, Hershel, Allen, Debbie, Joyce, and Mary Lou; I am very sorry to here about Aunt Daisy. My prayers and thoughts are with you all and your families at this time. I remember the many days and nights I had the privilage of staying the night, the weekend, and even the occasioanl week with you all and how much fun Aunt Daisy made things. Even when I first moved here and she took me to the garden the first time to learn how to pick peas. I look back now and know I had fun even though I never told her it was, when we picked blueberries ( I ate more than I put in the bucket)but she always had a smile and a loving word. I will miss her, I love each and every one of you.
