He will be missed and cherished by his family which include his father, Jason Scott White (Maritza White); mother, Tasha Sharpe; brothers, Lester Delgado, Jr., Jadon White, Isack Delgado and brother in Christ from China, Eric White; sisters, Yenesys Atencio and Marie Delgado; grandparents, Gary and Clara White; and Edwin Sharpe (Sherry Sharpe), Karen Sharpe (Michael Reniewicz); girlfriend, Hannah Maxey; and many aunts, uncles, cousins and nephews.

Dalton was a member of First Baptist Church of Sharon. He cherished life and the love for others. He was passionate about soccer and loved to go ride four-wheelers with his friends. Even though he was an American, he was true to his Hispanic roots, he loved Panama. Dalton loved and believed in Jesus Christ. He was on his path to becoming an adult but God had other plans. As

for our human side, we can't understand what God has planned for any of us. We believe it is his will that shall be done and in our hearts we hold the promises that God has made us. "Rejoice in that day, and leap for joy; for behold, your reward is great in heaven; for in the same manner did their fathers unto the prophets." Luke 6:23.

From the Family:

We want everyone to know that Dalton loved everyone he came in contact with and that even though he is gone, he will never be forgotten and we hope, in some way, Dalton has touched your heart. We hope and pray his short life will be a motivation to someone to have their life saved by our Lord Jesus Christ.

"Let not your heart be troubled: ye believe in God, believe also in me. In my Father's house are many mansions: if it were not so, I would have told you. I go to prepare a place for you. And if I go and prepare a place for you, I will come again, and receive you unto myself; that where I am, there ye may be also. And whither I go ye know, and the way ye know. Thomas saith unto him, Lord, we know not whither thou goest; and how can we know the way? Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me." John 14:1-6.

“ I remember meeting Dalton in the weight room at Laurel High School, when the football and soccer team had to meet together for a few days to use the weights. On those days we partnered up to spot each other as we lifted our sets. Me and Dalton graduated as class of 2015 and we even went to the same college together for a few years. Last time I ever saw Dalton was in Applebee's. He came and greeted me and my mother at our table. I thought we'd see each other out and about somewhere in the next couple of years but I didn't expect to see this happen to him. I hope the family can heal from this loss. I'll miss you Dalton.

“ I was Dalton's 3rd grade teacher. Dalton was an excellent and kind student. Even after he grew up to be a fine young man, he made sure I got a hug when he saw me anywhere. Dalton will be missed greatly. I'm so grateful he is a child of God. Prayers for comfort to Jason, Maritza, and Jaydon. Love y'all!9
