Whenever I would call at the end of my shift to tell him that I had stickers for the floor I knew I better hurry up and get them out front because he would beat me out there and he didn't like that me keeping him waiting. We are praying for for his family during your loss. May God bless each of you.

“ I grew up with David in the neighborhood and also attended church with him at Plainway Baptist church. After Wednesday night service we would walk to his house for a while and then he would walk me back to my house. I loved him dearly. My whole family loved him! Such great childhood memories I will never forget. He was a precious soul and I know he is surrounded by love right now. God Bless

“ I had a great time visiting with David at our last HS reunion. He had really mellowed out over the years. I knew Jerry too, but those interactions were never pleasant, but I now appreciate the fact that I needed a strong hand.
