

David George Glaser

March 6, 1946 - December 3, 2011

On 3rd December, the Lord took a great man who touched the lives of so many people. David George Glaser passed peacefully in his sleep; this unexpected loss has taken a great toll on his family and friends but anyone who knew him will know that this peaceful passing is what he would have wanted. David was born on 6th March 1946 to Robert and Phyllis Glaser, both of whom served their country in the Second World War. They passed their passion for serving their country to David, who served in the submarine service from 1966 to 1970. During his years in the service, he came to know and love so many great men that have been there for him and his family, just as David was there for them. After his time in the Navy, he graduated from the University of Southern Mississippi, where he met his brother in Christ, David Jernigan. Later in life, David found the love of his life, Margaret (Pegg) Tollerton. They married in 1986 and cherished every single moment of their lives together. As jobs transferred and changed, David left a mark in his community with his understanding of municipal workings and his outgoing personality. David brought his family back to Mississippi in late 1994, where a new chapter of the Glasers' lives began. He loved the Gulf Coast so much and so loved being able to introduce his family and friends to this unique part of the country. It was in this region that David came to a saving knowledge of Christ, and he was always so thankful for his church homes and the support they provided to him. In the past few years, David has used his knowledge of military history to help in the growth of the Veterans Memorial Museum and to

help younger generations recognize the sacrifices of their fathers and grandfathers. David always acted selflessly, worked selflessly, and above all, love selflessly. He will live on through his loving wife, Pegg; his daughters, Katherine Glaser and Victoria Glaser-Allen; his son-in-law, Donald Allen; his many smoke boat brothers, and the countless other lives that he has touched and will continue to touch. Sailor, rest your oars.

“ *Ms. Terry, thank you so very much. It was difficult to write (especially because Dad was always my editor ha) but it's something that had to be done and I'm honored to have been able to use some of the talent I inherited from him to write a memorial that doesn't nearly do him enough justice.*

“ *This is the sweetest obituary I have ever read. And I heard a voice from heaven saying, "Write this down: Blessed are those who die in the Lord from now on. Yes, says the Spirit, they are blessed indeed, for they will rest from their hard work; for their good deeds follow them!" Revelation 14:13*
