“ *Daddy,
Thank you for the years you gave us. 20 years wasn't enough for me and I can't imagine what life will be like without you now. I'm so thankful for the laughs we shared, the lessons that were taught, and all the memories I have of you I'm holding closer than ever. I'm so extremely proud of you for being the kind of man you were to so many for absolutely no recognition. You helped people because you loved them, not to feel better about yourself, but because you were selfless. Heaven has you now and I'm sure is rejoicing with complete happiness. I love you with all of my heart, always & forever, Daddy! ❤️❤️❤️❤️*

“ I had the pleasure of knowing David, he attended my church in Hattiesburg for a little while, such a wonderful man and I am so honored to have called him friend. I know he loved the Lord and loved his children so. I was devastated to here of his accident and his passing, I can't believe this happened and can't imagine why. He was such a wonderful man and the the world has lost something wonderful and heaven has gained an angel. I love you my friend, R.I.P.

To his family I am so sorry, there are no words to comfort you at this time I know, may the God that he loved hold you forever in his loving arms and get you through these difficult times and please always know how much he loved you.
