“ *Worked with David in Talco Tx. We often played guitar and became friends. David transferred to laurel Ms and I transferred back to Tyler Tx. I visited him in Laurel in 1987. Sad to hear of his passing. He was a bright light and a warm friend.*

“ *My heart goes out to the family. I met him at the beginning of this terribly short journey, so I know there wasn't time to wrap your head around this kind of diagnosis. A very sweet man who dreaded telling his family more than having the disease. He loved you so much. Prayers for your comfort in the midst of your grief.*
