“ I just discovered Mrs. Tucker had passed. She was my teacher for 9th grade English and we got along famously! She was so funny and I loved her dry sense of humor. She made quite the impression on me and I have thought of her many times through the years. I so wish I could have seen her after I graduated (1982) and told her how much she meant to me and how much I learned from her. My heartfelt condolences to the family.
