“ *Cousin Lester, I would like to send our sympathy to you in reference to Debbie's death. I can't say that I remember her like Mary or Violet did since so many years has passed when we all lived at Soso. I seem to remember Herschel the most. The last I saw you and Daisy was at either Daddy's (Elmo) or Mama's (Mary) funeral. I did not realize that Daisy had died since. We were in Belize for 27 years so missed out on a lot of news. We came back last June to settle back in the US. The years are slipping up on Henry and me. We settled here in Wears Valley not far from Pigeon Forge and about 2 miles from our only child, Ted and his family. We are enjoying being grandparents.
May God bless you all during this time of grieving and may God's wonderful love embrace you all with the strength to get through these next days. If you are ever in this part of TN, please stop by.

“ My heart goes or to my family at this time of great loss. As we know family is special and we never know what we have till it's gone. It's very important that we all do what we can to stay in touch with each other as I remember when I was a child at my uncle Lesters house. You will always be in my heart forever.
