“ i want to say to the family I so sorry about the loss of such a dear sweet lady. I only knew her for such a short time but such a sweet and precocious lady. I was her CNA at Jones County Rest Home on the East Wing on the 11-7 shift. I always thought she looked like I knew her and after reading her obituary I see where I knew her A&P Groc, I shopped there for years with my parents and my high school sweetheart worked there also. I sure do miss the nights we would talk she surley will be missed. I'll be praying for you all wish I could of meet the family. I really enjoyed taking care of this sweet lady...

“ Cathy and other family. I'm so sorry about Mrs. Frazier. I only met her a few times, but what I remember were impressive. She was a delightfully pleasant and loving lady. I remember her being at your house Cathy, when my sister, Sandra came to measure for your drapes.  
I know how much you all loved and will miss her. Please know I think of her fondly and will be thinking and remembering you and the rest of your family during this time of grieving. Love,
