“ We lived next door when we were children and she was called Lori Jean then. We went through school together and shared maternity outfits when we had our babies. Lost contact in later years. I was sadden to see that she had lost Jullie and Jodi. Perhaps we will meet again. Jaki

“ It was a pleasure for me to work with Delores at Dr. Howell's Surgery Clinic. She was always so kind and sweet. Beautiful inside and out. Loving and giving. She always talked of her children and their families with pride. I am sure she is getting the peace and comfort she so deserves from the Lord. May God bless all of you.
