“ I was privileged to know Debbie and Dennis through their boys at old Sharon School. Dennis was on campus a lot with his work and he always made sure we teachers knew that he and Debbie wanted his boys to stay in line and learn. He was very supportive to his family, his kids' education and his community. He will be happy to see his son and he will be missed. Prayers for comfort to the family. God bless....

“ Our families go back a long way. We are baseball families. Dennis loved baseball and loved his sons. Some of his best days were spent at the ball park, and some were spent cooking at the ball park. He will be missed as a husband, father, grandfather and friend. God's blessings to all of you during this difficult time.
