“ *Diana you are missed by so many already. Such a special woman you were. Always full of hope and strength. Always posting hearts to the 10,000 Hearts 4 Gina group. I'm so glad we were able to send you a heart painting so you could know and feel our love for you. You are in Gods loving arms now and no more pain. Only peace. Thanks for being my scleroderma friend/sister/warrior. Your fight is now over. RIP. Till we meet again <3*

“ My memories of my dearest friend, Diana, will always be of the love she had and showed to all her friends. We spent many an hour online to each other just laughing about everything and nothing but she was somebody you could talk to about anything. She battled hard against her problems and was incredibly brave, always more interested in how other people were feeling. She will forever be in my heart and my regret is that, living in England, we never got to meet in person. She was a special lady, one that I loved dearly and miss every day. Rest in peace my sister over the pond. No more pain x

“ *I am so Thankful that God Allowed Ms Diana to Cross Paths with me, & it all came about thru the Purchase of her Beloved Fur-Baby Stinky who she Adored & he Adored her also*

*What can I say about this precious Lady that would describe How I Felt About her? I luvd her immediately the 1st time I spoke with her on the phone. Then I met her in person & she instantly became Family & I felt as if I'd known her Always along with Casey & Justin .*

*I luvd her Personality, luvd her Voice, her Laughter, Her luv of Life & the Joy she made me feel when I spoke with her.*

*I have visitied her FB page countless times in the past few days & her absence still does not seem real.*

*Ms Diana asked me often to pray for her "Boys" & my luv & prayers will continue for you Casey, Justin, & Stinky. Tho I did not meet you in person, I met you in spirit thru the luv your Mother had for you both*
