“ I'm very sad to know that I will not be able to see my friend every day during my work week. This news was told to me today. I have been asking and wondering, "where's Mr.D"? Knowing that I won't have to put my friend a patty egg and cheese biscuit back with a do not touch napkin on top. I miss Mr.D so much.. I remember he told me that I am the only person ever called him Mr.D. Every time I see an Enviro truck I know he will cross my mind.
