“ I wish to express my heartfelt sympathy to "Mom's" family. My thoughts and prayers are will you all.

*Boo, know that I am thinking of you and praying for you. You are blessed to have been able to take care of your mom and be with her, as I was with mine. We miss them dearly, but they are no longer suffering, they are at peace and are always with us.*

*Remember that I love you and will continue my prayers for you. Doo*
