“ *Dearest Artie, Jennifer, Isreal, Don and babies.... It did my heart well to be able to spend time with you all. So many things that should have been said that weren't, so many things that were said that shouldn't have. None of that can be changed...but what stays the same is that thru it all I loved Donna. She was a hell of a girl! She was my friend and spirit sister and will be always. So many happy times in my heart and memories that will go with me to my day's end. I am blessed that she was in my life and I am happy for all the sweet memories and love that we shared thru the years. May the Almighty bless and keep you all thru this time of loss. Love, Aunt Genni*
