“ I enjoyed living next door to Ms Doris all those years! She was such a sweet, precious lady. If she saw me outside, she would wave or stop for a chat! She will definitely be missed. Praying for all of you.

Thank you Deborah for the wonderful tribute to our Mom. She was truly an angel. She loved your family so much. I so appreciate the friendship that you and your Dad had with my Mother. You were always there for Mom. She is in a better place now. She has been ready to go for a while. We are so happy she is pain free and in a better place. God Bless!
We Love you.

Thanks Terri. Mother is heaven with Daddy now. She was ready to go and has been for a while. I am getting through this by thinking of how happy she is to be with Daddy and her parents. She is free of pain from a year long battle with many ailments and trauma and that is a blessing. Thank you for your thoughts and prayers! Dianne
