“ I remember this one particular birthday she had on September 13,2016. I told her she was a very special lady and that she was a inspiration to me that your never to old to find true happiness and peace that’s in serving to only true living God. She told me I think I remembering this correctly that she was in her eighties when she received the Holy Ghost. I also told her she shared a birthday with some very special people in my family. My Dad(Vernon Allen) was born on September 13,1933, also with two very special boys in our family (Issac and Dylan Westbrook) they were born on September 13,2000. She always remember that about those two boys and when she able to come to church on her birthday she would remember to tell me to tell them Happy Birthday. She will greatly be missed. She was Granny Doris to all of us and she the last of our eldest Sister to get her wings to fly to that eternal home with the one and only true living God. FLY SWEET GRANNY YOUR REAPING YOUR REWARD. Love and miss her dearly.
