“ *Doris was such a bright light in the lives of all that knew her. She made the best Italian Cream cake and banana pudding. Dinner at her home after Christmas Eve church service was always a gathering of friends and I was always included. When Frank was so sick we got a call from the nursing home that I needed to come. It was Easter Sunday and we had gathered at the Wyrick home for lunch. Doris refused to let me drive and took me herself. She was a wonderful woman who loved her Lord , her family and her friends. I feel blessed to have been one of her friends and loved her in return. She will be so missed and her memory cherished.*
