“ *Dear Don and Saget Family:*

*I regret that I will not be able to visit with you during this time. Be assured of my thoughts and prayers for you. Doug and I worked together for many years. I treasure the memories and friendship that we enjoyed. A few of those years he and I were a two man team maintaining the AT&T radio relay route at night. We spent many hours working and sharing together while driving and working. Precious memories!*

*May GOD Bless you!*
