“ I will always remember the love Ms. Dorothy had for my parents, Rev. and Mrs. Doc Williamson, and my brother, Tye. She and my Mom shared the same birthday and would refer to each other as their “twin”. Ms. Dorothy was never too busy to take time out of every day and talk to Tye, when he would call. We are blessed to have known you, Ms. Dorothy!❤️

“ Dr Kalehoff was an outstanding lady who cared so much for family, friends and anyone in need. She had a very giving spirit and showed love unconditionally. Our connection was through funeral services and as I said earlier she was very helpful always. We need this kind spirited desire in our society today more than ever. God bless you Dot Dot for all you have done for so many 🙏🙏

I will truly miss her. She would call my office and we would discuss what she needed done at her house and then we would just talk with one another. One day I just showed up on her doorstep because I wanted to meet her. She was excited that I had come to see her in person. I have her birthday marked on my calendar so that I would always remember to call her.
