“ I know this is hard on all of the family. Mrs. Windham was a wonderful person. I loved her and her family. Pat, it is so hard on me, not being able to come be with you. If things were different, you know I would be with you. I am very much with you in my heart and in my Prayers for you. I will see you as soon as possible. We love you so very much.

“ I worked at Masonite as a very young woman in the early 60s. At that time Earline was the Switchboard operator - the 'Voice' of Masonite. There could not have been a more perfect person for that position. Her voice was pleasant, happy, friendly, and a joy to listen to. Customers from far and wide as well as distant Masonite personel were greeted by her voice each time they made a call to Masonite making their day a much brighter one, I am sure. - RIP -
