“ Eddie Ellzey was considered "family" to us. He was extremely kind, funny, always uplifting and a complete joy to be around. We have so many great memories of working in the cable industry with him. I never ever heard Eddie say a bad or negative thing about anyone..ever. He was an amazing man, a treasured friend and we all loved him dearly. We will miss him so very much and we pray for comfort and strength for his family and friends.

“ Words cannot express the world's loss of Eddie. His smile was contagious. He could not only have you smiling but before you knew it he would have you laughing. He would educate you while at the same time amaze you with his inventions. He was talented and intelligent. But best of all, he was a good man and he was my friend. Eddie, I love you and will see you in heaven. You better be at that gate waiting. And, you better let me in!

To his family, know I love each of you as I loved Eddie. God blessed me when my brother, James O'Farrell, married into the Ellzey family. I mourn with you. My God give us comfort.
