“ *Our prayers are with Mae's family as they go through this difficult time. Kathy, my sweet neighbor and friend, took such good care of her Mother and worked tirelessly to make Mae comfortable and do anything to help her get better. I know she will be missed by many. May you all feel the peace that only Jesus brings in the days ahead.*

I think of you every day Mom, and think of Dad, Shelia and Karen of course. I didn't want anything from you. I just wanted you to be happy, and enjoy your Golden years. Big Hug! Fly high up there!
