*To Edie's family...Edie has gone on to the other side; No more pain or sorrow, but many happy reunions with family and friends, and in particular, our grandmother, Mary Mueller Sertick Pearce. I know she got many kisses and hugs from her on their reunion. My best memory of Edie is the time while we were out riding our bicycles - on the dirt road past our "Grandma's". Edie was singing right out loud, and all of a sudden a bug flew right in her mouth! I have no idea what the song was, but honestly, it was one of the funniest things I have ever seen. We should have had America's Funniest Videos. I still can see it!
Love and blessings to all! May you be comforted in this time of great sorrow.
Edie's first cousin and childhood playmate... Terri.*

“ *When your mother leaves, there seems to be quite a large pair of shoes to fill... but, what your mother leaves is the capacity with which to fill them. Good job, Edie.*
