“ I knew Phillip over 40 years ago and still remember Mr. Breland. I remember being at their house on a cold day and him asking either Phillip or Bruce, "Aren't you going to take your shaboggin?" (I then remember Mrs. Breland correcting him that it's called a toboggin.) I don't remember a whole lot about him except that he was a nice man and a good dad.

“ Ms. Linda, my heart was so broken when I heard this news. Words are too inadequate to express to you just how special you and Mr. Breland are to me. He has ALWAYS been one of my favorite patients. It was always a delight to see his name on the schedule and then to see your smiling faces. Please keep in touch. My thoughts are prayers are with you and your family. I love you!
