“ *Ms. Eleanor was such a character! You never knew what was going to come out of her mouth. I had the privilege of taking care of her for the last 6 months. She will always hold a special Place in my heart. She always told me she loved me, even I. Her last days. Ms. Peggy, I am praying for you and your family. She is now at peace and smiling down on all of us from heaven. She will be greatly missed.*
