“ *I remember how excited i was as a kid everytime granny would tell me uncle EB was coming to town. He always had great stories he would share with me, not to mention he would show up in his corvette. He shared his love of corvettes with me and to this day a corvette is my favorite car. I loved him and always loved spending time with him. I wish i was able to spend more time with him as an adult.*

*Love,
Cory France*

“ *I thought my Uncle EB was the coolest person in the world. Always with a corvette to take me and my older brother for a ride in. He had a way to make you feel like the most important person in the world when you were together. I love and miss you and I'm sorry I didn't have time to get there.*
