“ *When I opened this tribute for Elizabeth Ann Taylor, I was startled to see the smiling face of Ann. I either didn't remember (or was never told) that he first name was Elizabeth. Looking at her photograph reminded me once again of the beautiful soul inside. Ann's smile was a special gift to me--a blessing of grace. Like the Christian mystics from centuries ago, her smile says: "all is well."*

I am holding the family of Ann and Dennis close in my heart and in my prayers. May you find peace.
