“ *Grandma, I will miss you dearly, I have a lot of sadness for not getting your great grandchildren to see you. You were the only one that understood me, gave advice and listened to me. You never casted judgement on me. I remember when i came down there many years ago and we went to the casino and had so much fun with you. You will always be remembered by me and your great grandkids... What will i do without you now? I love you so so much and say hello to grandpa Love your granddaughter from Utah Amy*
