“ *Mama, it has been 9 months since you left us to be with daddy. There isn't a day that goes by that I don't miss you and daddy with all my heart. I can't wait to see you and daddy again one day. I love and miss you so much.*

“ *Libby Cade was my first friend. We remained close friends from before entering Stone Deavers Elementary school through 10th grade at George S. Gardner High School I moved away from Laurel and remained friends with her sister, Martha Sue, through the 1960s. I tried often to reach Libby, but my efforts failed. I would loved to have visited with her to share love and memories, however that never happened. I am happy that she had such a wonderful life with Denton (I also knew him) and with her wonderful children and grand children. She lives on in my memories Shirley Miller Price*
