“ *I cannot express the sadness I felt when I heard of Beth' death. She was such a large part of our childhood, and always such a sweet person, I never heard her say a mean thing about anyone,, even tho I had not seen her since Mike passed away, we enjoyed many a conversation while she could still communicate, Sympathy from the Garvins,*

“ *I have many fond memories of Beth. The first thing I think about is her smile. She was genuine and loved her family so much. I know she is in a better place now and we will see her and her smile again one day. She will be missed but will still be in our hearts.*

“ *Stacey,
My husband and I were great friends with your parents in Lancaster before you were born. We had many special times with them. We were so sorry to see the notice of your Mom's passing and we did not know that Mike had also passed away. Even though we had lost touch with them in recent years we still talked of them and the adventures we shared. We will keep you and your family in our thoughts and prayers. Bev and Brian Barbee*
