“ Dear Donald,
Our hearts are saddened to hear about Libba. What a loss to the George S Gardiner High School Class of 1961 and our class of 1960! A special thank you to both you and Libba for opening your lovely home to all of us during our class reunions, giving us a place to visit and get together. What' a wonderful and caring person Libba was to so many of us throughout her life. She went beyond hospitable to make us feel comfortable and welcome. She truly was a delightful person and a favorite friend!
Ken and I will be keeping you and your children in our hearts and prayers as you face the challenging days ahead.
Sweet hugs,

Don and family, I am just now hearing of Libba's death. She is often in my memories, as she and her family lived across the street from us, the Wilbys, as we were growing up. She was a dear and loving person and my first friend. I know she will be missed by all who knew her, including me. Lee joins me in prayers for your family. Betty Carroll
