“ When my husband and I first met Elizabeth it was at Merchant Park, the practice had begun, and the sign ups were over. She came straight to Eclipse and asked if she could play. We have 13 players already. We let her practice that night until we could figure it out with the other 12U teams. By the end of the practice Coach Jason (my husband) and Coach Bill said we are keeping Elizabeth. Miss Wells is what they called her. She was so excited. She listened and learned, not only to her coaches but the experienced players. The season was a blast and her family was ALWAYS there. The first time she hit in a game. The entire fan base went nuts because we could all see how much she was trying and how bad she wanted it. She was the beginning player ever Coach hopes for. She was a blessing to know and will be missed. Her attitude was a testament to her upbringing. To the family I am so sorry for your loss. Our prayers will continue to be with you
