“ *My sincere thoughts and prayers are with each of you during this difficult time. Mrs. Gould, I love you & Major (as well as Clarence, Lisa, Burt & Nathan) so very much & hate that I can't be there! You & Major were very supportive of me when y'all were in Monroe & always made me feel loved & special. There's a special place in my heart for both of you. And, my fondest memory, as I told you last year, is Major literally raising me off my feet by pinching my chubby cheeks (haha). There are so many fond memories but too many to list. Hopefully I will see you soon. If I can do anything at all for the family, please let me know. With Much Love, Shirley*

“ We treasure the years of friendship with the Goulds, including the fellowship we enjoyed while at the School for Officer's Training. Many times we traveled together and just the "good-old-boy" country fellowship will be remembered for many years. We'll certainly miss E.C.; it's like losing a member of our own family. We're confident that E.C. is with the Lord and that we'll meet again someday. Our prayers are with you all.
