“ Kathy,Wayne(&Shannon),Sheri, Brandi,David(&Kim-thanks for the call)& Nancy: My heart is broken for each of you--I know Eloise loved you all very much & that she KNEW you each loved her. I never thought of her as "my step-mother"--she was a dear friend & confidant & I am going to miss her (already am) SO bad. This is a time when I need to call her & cry on her shoulder & have her make it alright, just as she had done so many times in 45 years. A terrible loss to all of us, but what a gain to those already in heaven who she has been missing so bad. Just remember she was so sick (more than she let on) and so very, very tired! Praise God, we can be with her (& others) again! Be strong, as she was, and make her proud! Much, much love to all! Please don't forget me!!
