“ *My heart broke this morning when I heard the news but I know Mr. Freeman is back with his wife again and feeling no pain and he can look down at all of the folks around the country who's swinging on his swings he built and smile. Words can't express how much I will miss you Mr. Freeman and all of the long talks we had on the phone and visits we had when you delivered us your swings. But I will see you again one day. Rest in peace my friend.*
