“ We send our deepest sympathy and were shocked to hear of Ms. Weaver's death. We were on vacation and did not know she had passed away. In fact we almost went by to see her at the nursing home this past Tuesday. My children and I came to genuinely love Ms. Weaver as we had the opportunity to deliver meals to her home each week. Her death has brought many tears and sadness in our home, but we are thankful for and will treasure the special friendship we had with her. Love, Sharla, Aaron, and Anna Smith
