“ Love my mom! She was full of life, always glowing with a smile and offering a helping hand or to sit and chat for a while! She sure loved and served her Jesus, and wanted everyone to do the same. She loved her family with a unconditional love! Oh I cant thank my God enough for allowing us all the many years with her. Yes she had her ups and downs, but she was a fighter for her family health and family and friends It's true we won't see her on this earth again, but we can see her in her heavenly home one day, If we live the life she lived always putting her sweet Jesus first and keeping him close to her heart! I am my mother 's daughter Rebecca (Becky)

“ To Renae, Keith and all of the Rand family. I am so sorry to hear about your loss. Even though, I did not know her, all of the memories that I see from her family and friends tells about her wonderful life. I know that she will be missed. Keith and Renae, you will be in my prayers.

“ *My Grandmother has always walked with faith, loved with Holy Spirit as her guide and has been one of the biggest influences in my life. She helped bring my daughter's two children, her great great grandchildren, into the world. Praying and blessing them as they took their first breath, with my Aunt Linda and my Mom standing beside her. Her sheer strength of will for the love of Jesus has seen our family through many trying and wonderous times. I am saddened for not being able to see her in this world from now on, but at the same time I am so happy she is with her Lord and in Grandpa's arms again. I love you Grandma and your wings are beautiful!*

“ *YOUR LAST PIN DROP*

Beyond the stars and past the moon is where your spirit soars

Without restraint pure freedom from the old life fills your pores

Freshly away from the pain and suffering you feel so alive

With the joy of knowing where you are going you can't wait to arrive

With a final push you enter the last leg of your zero gravitational glide

You see the lights of a city below as you descend from the amazing ride

And there you stand in speechless awe as you behold the sight you see

A Heavenly host in silent honor gathered around a crystal sea

Not a sound is heard as there are no words fit to describe this place

Your mind is blank as you stare in wonder of the great riches you face

Enjoy the moment realizing this is yours for all of eternity

Then you can rejoice forever more for your dreams have become reality

“ *some of my favorite memories at both thrift stores involved this lady. Never knew her name we just called her "mama". She never came in without a smile, a hug, sometimes a prayer but always, always a blessing. She really loved the skirts that I would "hold" just for her, except those that showed her shoe top.... Gonna miss that smile.*
