“ *Very sorry to learn of Everett's passing. He was always kind and helpful to me, a fellow chip collector. We had a very pleasant visit only a few weeks ago, right before his wife passed. Sympathy and thoughts to his family.*

“ *Everett and I were both casino chip collectors. My wife and I first met Everett and Rosie at a chip collectors show in Biloxi, must have been over 20 years ago. Although I only saw Everett a couple times since then, we emailed pretty frequently. Last time was only a couple weeks ago, when he asked me to send him a few chips from Biloxi. I always considered him a fine gentleman and a friend. I'll miss him.*

I could not believe what I was hearing tonight when a friend of ours told me of Everett's and Rosie 's passing. I am so sorry to hear this news. They were friends of ours for forty years. Absolutely nice people. We were fellow collectors. I have been a coin, currency, chip collector and dealer for forty years and have sold them many items. My wife and I send our sincere condolences to their family. May they rest in eternal peace.

“ buddies for many years and my go-to guy when I need to know something about Mississippi casino chips. We conversed by telephone and continued a dialogue that will be sadly missed. May God grant his family solace and understanding. His loss will be felt by many. He was my friend -- and a good man. Rest In Peace, Dearly Departed soul as you join your wife in heaven. Amen.
